Thank you for your Access to Information and Privacy (ATIP) request.

This email acknowledges receipt of your request which will be processed in accordance with the timelines set out in the *Access to Information Act* or the *Privacy Act*, as applicable. Please note that the standard legislative timeframe for responding to requests is 30 calendar days, unless an extension is required under the legislation.

Please take note of your ATIP Online Request number 4403708. Please reference this number if you contact us regarding your request.

We are currently experiencing a high volume of requests which is impacting our ability to process requests in a timely manner.

To help us serve you more efficiently, we kindly ask that you avoid submitting duplicate or multiple requests for the same application information. Submitting multiple requests may lead to delays and duplicate processing efforts, which can impact overall response times.

We appreciate your cooperation and understanding as we work to respond to all requests as promptly as possible.

If you have any questions, please contact us at ircc.atip-aiprp.ircc@cic.gc.ca
