Letter of Explanation : Vinicius Medeiros Chaves Role

To Whom It May Concern,

We are writing to inform Immigration, Refugees and Citizenship Canada (IRCC) of a structural update regarding our startup, **Bringfy**, part of our Startup Visa application.

Due to personal reasons, **Mr. Fransergio Polaco** has officially stepped away from **Bringfy** and is no longer involved in the company's operations, management, or shareholding structure.

We would like to affirm that this change does **not impact the business's continuity, viability, or operations**. The responsibilities previously managed by Mr. Polaco have been fully transitioned to **Mr. Vinícius Medeiros Chaves**, who now serves as both CEO and CFO.

Vinícius is a seasoned entrepreneur with more than 10 years of experience in **sales, business management, and satellite tracking technologies**. He has built a strong reputation in the field of **vehicle tracking and cargo management** through his leadership in related businesses in Brazil. His specialized knowledge in logistics and fleet operations is directly aligned with Bringfy's mission, particularly as we scale our last-mile and same-day delivery technologies in Canada.

He is also a co-founder of two related ventures in Brazil—**e-Carreto** and **Probase**—which are closely tied to Bringfy's strategic development. His dual role as financial lead and strategic operator ensures seamless continuity, and his strong ties with our Brazilian investor network remain a valuable bridge for Bringfy's ongoing development in Canada.

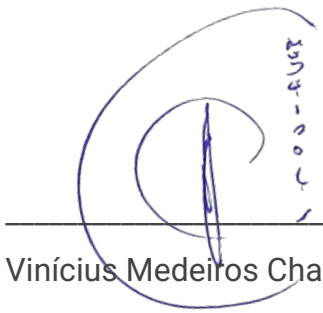

Attached, we have included our **updated Shareholders' Agreement** signed on **May 15, 2024**, which reflects the current active structure of Bringfy:

- **Olavo Pereira de Mello Neto** – CTO (38.18%)
- **Priscila Luz e Calil** – COO (29.16%)
- **Vinícius Medeiros Chaves** – CEO & CFO (32.66%)

Bringfy remains an active and committed venture under the Startup Visa program, and we continue progressing in Canada with the same vision and determination that brought us here.

Should you require any further clarification or documents, we are fully available to provide them.

Sincerely,

Vinícius Medeiros Chaves - CEO

Olavo Pereira de Mello Neto - CTO

Priscila Luz e Calil - COO
