Details: Dear Sir or Madam, We would like to respectfully request an update on the status of the applications of Mr. Olavo Neto (Application: W309327100) and his spouse, Mrs. Sandra Mello (Application: W309327098), which were submitted in March of last year. To date, no response or update has been received regarding these applications. We understand that processing times may vary; however, the applications have now exceeded both the processing timeframe indicated in the submission correspondence and the standard processing times currently published on the IRCC website. For this reason, we kindly ask whether there is any update available or an estimated timeline for a decision. We would also like to highlight that both applicants are currently being pressured by their employer, and there is a real risk of job loss due to the lack of a decision on their immigration status. Thank you very much for your attention. We look forward to your response.
