Staffing Plan 2024

The plan focuses on strategically building a high-performing team to drive growth in last-mile, same-day, and next-day delivery services. Prioritizing delivery drivers ensures operational efficiency and innovation in our expanding Canadian market. This approach integrates our established Brazilian team with new hires in Canada, fostering a unified company culture.

Development Team (2 Developers):

Frontend Developers (1):

- Responsible for the user interface and experience;
- Implementing designs and ensuring UX/UI best particles;
