IMPORTANT FIDO UPDATE: WI-FI CALLING 9-1-1 LIMITATIONS

This Wi-Fi Calling 9-1-1 service has certain limitations relative to Enhanced 9-1-1 service that is available on most traditional telephone service. A Wi-Fi 9-1-1 call will route to a specialized emergency call centre that will transfer your call to the correct Public Safety Answering Point (PSAP) once you verbally provide your location and call-back number with the operator who first answers the 9-1-1 call. You must keep your 9-1-1 address current in the Wi-Fi Calling settings of your device, which will be used when you cannot verbally provide your location. You must also be aware the 9-1-1 service may not be available during a power outage and will be unavailable during a broadband Internet outage. To read over all the Wi-Fi Calling 9-1-1 Limitations, please visit www.fido.ca/911

How To Pay Your Fido Bill

11-digit Bank Payment ID: 94983207500

There are many ways to pay your bill.

The fastest and easiest way is by setting up automatic payments from your chequing account or credit card.

To get started, sign in to your account at **fido.ca** or in the Fido My Account app

You can also make one-time payments every month:
- Online, by signing in to your account on **fido.ca** or the Fido My Account app.
- By calling Fido's interactive phone system: dial 611, free of charge from your Fido phone or 1-888-481-3436.
- At any Fido retail location (please bring this bill).
- At most major Canadian financial institutions. It could take 2 to 5 business days for your payment to reach us.

If we do not receive payment of an amount due on your account by the specified required payment date, it will be subject to a late payment charge of 2.87% per month. This late payment charge will accrue on a daily basis and will be calculated and compounded monthly on the outstanding amount (an effective annual rate of 41.11%, equivalent to 34.93% for the purposes of calculating the maximum annual percentage rate permitted by law) from the date of the first bill on which it appears until the date we receive that amount in full. You agree that we can charge any unpaid and outstanding amount, including any late payment charges, on your account to your credit card, bank account or any other payment method pre-authorized by you for payment of our charges.

To see our complete terms and conditions, visit **fido.ca/terms** or contact us.
