Progress Report 2024

An overview of the company's transformative journey in the logistics technology landscape. Emphasizing core values such as Reliability, Self-awareness, and Partnership, the report highlights achievements, including the growth in Brazil, development of B2B and B2C platforms, strategic partnerships, key hires, and active participation in industry events. It also recognizes the support obtained with the BETA incubation program and the challenges faced, especially in securing investments from Brazilian stakeholders.

Executive Summary:

Mission:

Being the primary channel connecting sellers and transporters, fostering a user-friendly journey for quick transport requests.

Vision:

Harnessing technology to revolutionize how people send and receive goods.

Values:

Reliability, Self-awareness, and Partnership.

Key Metrics:
