Dear SANDRA PERES CARAM PEREIRA DE MELLO,

This letter is in reference to your application for temporary residence. Based on your application and accompanying documentation that you have provided, I have carefully considered all information and I am not satisfied that you meet the requirements of the Immigration and Refugee Protection Act and Regulations. Your application as requested is therefore refused.

You are requesting an open work permit as a spouse of a worker in Canada. Your spouse does not currently hold a valid work permit therefore you do not meet eligibility requirements for issuance of an open work permit as per R205(c)(ii).

Pursuant to section 183(5)(a) of the Immigration and Refugee Protection Regulations, your temporary resident status has expired. You are now a person without status in Canada and as such, you are required to leave Canada forthwith. Failure to do so could result in enforcement action being taken against you.

Please keep this office informed of any change in family composition, mailing address, telephone number, email address or change of representative by contacting IRCC: https://www.canada.ca/en/immigration-refugees-citizenship/corporate/contact-ircc/web-form.html
