Thank you for contacting Immigration, Refugees and Citizenship Canada (IRCC).

We confirm the receipt of your IRCC Web Form via this automated response.

We are committed to respond to your inquiry as soon as possible. It is not necessary to send us another message, unless your situation has changed.

Please note that IRCC's communications are in Canada's two official languages - English or French.

In the meantime, we would like to suggest the following online services that might be helpful to you with any immigration, refugee and/or citizenship requests:

- Download application forms and guides
- Change of address
- Check your application status
- Help Centre - To find answers, you may consult the different sections or type keywords related to your question.

Sincerely,

Immigration, Refugees and Citizenship Canada
www.cic.gc.ca

**Note**: By initiating email communication with IRCC, you are authorizing IRCC to use your email address to communicate personal information on your file, or case, with you. You also understand that email communication may not be a secure channel. IRCC is not responsible for communicating personal information to a third party when it has made the necessary efforts to identify them. IRCC is also not responsible for the misuse of this information by a third party. To consult the IRCC policy on Internet use, click here http://www.cic.gc.ca/english/notices.asp.
